REMARKS

Claim Status

Claims 1-18 are pending in the present application. No additional claims fee is believed to be due.

Claim 5 has been amended to replace the word "the" with the word "an."

It is believed this change does not involve any introduction of new matter. Consequently, entry of this change is believed to be in order and is respectfully requested.

Objection to Claim 5

Claim 5 has been objected to for lack of antecedent basis. The Office Action states "[c]laim 5 is objected to because of the following informalities: 'the end edge' lacks sufficient antecedent basis, as it is unclear which end edge the claim language is referring to." (The Office Action dated January 18, 2007, page 2). Applicants believe that the amendment to claim 5 fully addresses the informality stated in the Final Office Action dated January 18, 2007.

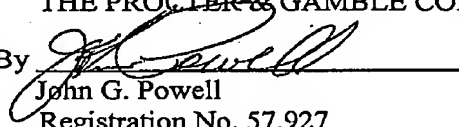

Conclusion

This amendment represents an earnest effort to place the application in proper form. Applicants respectfully request that this amendment be entered under 37 CFR §41.33(a) as an amendment to comply with the requirement of form set forth in the Final Office Action dated January 18, 2007.

Respectfully submitted,

THE PROCTER & GAMBLE COMPANY
